

COMEDY HYPNOTIST GERARD V

COMEDY HYPNOTIST SHOWS FOR ANYONE, ANYWHERE

Junior All Blacks

After seeing Gerard V at a previous event we decided to use this fantastic show as our fundraising event. From the very beginning of the show people were commenting on how effective and professional the setting looked with the lights and music.

Once the show began the entire audience were captured, people were laughing so hard they had tears running down their faces as they watched the volunteers. Some people had been a bit worried they would be picked on to perform but Gerard reassured everyone that it was volunteers only, if you didn't volunteer you couldn't be hypnotised.

“Thanks Gerard. An entertaining show executed in very a professional manner! The staging, sound and lighting were fantastic and Gerard’s edgy, yet good clean fun approach to comedy, had the audience in hysterics throughout.

Overall, the performance was highly engaging and enjoyed by all. We will be sure to invite Gerard back for another corporate event in the future!”

I had **great fun** at the show last night. I haven't laughed like that in ... well, I don't remember the last time my face hurt from laughing so much.

Thanks - it was a real treat. You guys make it look easy and natural, which belies the hard work and practice, and everyone around me was having a good time.

Montmorency Football Club Melbourne

I recently organised a Ladies Luncheon for the Montmorency Football Club. After looking up a range of comedians and entertainers I chose Gerard V. After reading the profile I thought that this would be great entertainment. I must admit it exceeded my expectation.

Gerard had the group mesmerised from the start, the room was full of laughter and the things that he had the group on stage performing was hysterical. The feedback from the group was excellent and I am sure that others will book Gerard in the future to perform at other events. I certainly would book Gerard again.

... a fantastic evening’s entertainment. We have received wonderful feedback from our members over the past few weeks on Gerard’s show. Everyone thoroughly enjoyed themselves on the evening.

We would hope to use Gerard again in the future, and would definitely recommend Gerard’s Hypno show to other clubs and societies for a fun Club night out.

Placemakers One Base Fishing Contest

I would like to thank you for such a wonderful show, as you are aware we had over 500 Fishermen at the PlaceMakers One Base contest, this has been running for over 6 years now and the comments I received back on your performance were excellent. . . clearly you were very professional, and captivated the audience.

Just brilliant!!

He made everyone feel at ease, and fully explained the procedure so there were no surprises, bad ones that is! Gerard did not disappoint! The show was very entertaining, he had no shortage of volunteers (which surprised me).

I can thoroughly recommend Gerard's show to anyone who is looking for a professional, fun and entertaining show for their next event!

Thank you for a truly funny show. We all thought it was chock full of comedic highlights, and the way that you instinctively put the staff at ease was great. It was a night of wonderful hilarity that the staff still shake their heads over. We think they are gobsmacked with some of the silly but harmless antics they surprisingly took part in.

St Patrick's College

We have had nothing but amazing feedback since Gerard V performed at Saint Patrick's College. The show was extremely professional, thoroughly enjoyable and the audience left wanting more!
