

G-rated Conference Entertainment for Adults

For corporate events, customer conferences and staff parties.

You want entertainment that's tried and tested, fantastic, memorable, and within your budget. A far better alternative to standup comedy, magicians and motivational speakers.

Do Something Different This Year!

Book someone you can completely rely on to wow your delegates.

It is time to move beyond ordinary speakers and risky comedians. People want to be entertained, and to have a really good time. Gerard V's g-rated comedy hypnotist show is an absolute crowd pleaser.

Friendly, Accommodating and Hilarious

Gerard V wants you and everyone to have a fantastic time and has the skill and experience to pull it off without being offensive.

Reliable and Safe

Gerard V brings you a hilarious new take on stage hypnotism. Stage hypnosis without the creepiness; without fear or embarrassment. If you want it to be fun, funny, clean and safe; go with Gerard V.

Your Staff and Customers Will Love it

You're wondering if your customers and delegates would go for this? Gerard V has done his show for boards of directors, rabbis, Catholic schools and senior politicians. And they all loved it.

Gerard made everyone feel safe, and had many more volunteers than anyone would expect.

The show was clean and hilarious too.

It's Easy to Arrange

He is easy to deal with too - he responds quickly to your inquiries, he knows what he is doing and can work with most venues, stage setups and technical situations. He will even bring a PA system and lighting if you need that arranged for you. (Depending on the location of course).

Wow, what a night. I haven't laughed so hard for years.
